

4th Annual Radionics Winter Classic: Atlanta, Georgia

KRT is proud to present the **Radionics Winter Classic**: a winter workshop series designed to meet the needs of radionic researchers at every level, from beginners to experts. KRT President Ed Kelly is teaming up again with Marty Lucas, President of Every Advantage consulting. Marty is an experienced radionics teacher, researcher, and consultant with a proven track record of success using dowsing and radionics to solve problems for clients around the world. Don't miss this opportunity to participate in these hands-on workshops with these two uniquely-qualified instructors!

BASIC RADIONICS: February 9-10, 2019

Atlanta, Georgia

An introduction to the basic theory and hands-on operation of the radionic instrument. This course is designed for the brand-new beginner and anyone seeking a refresher on the basics. Topics include:

- History and Theory of Radionics
- Samples and Witnesses
- Energetic Analysis and Balancing
- Water & Plant/Soil Analysis Worksheets
- Use of Reagents: Physical and Electronic
- Basic Rate Scanning/Electronic Dowsing

Participants will practice using and developing a touch for the radionic instrument by completing analysis worksheets on water and soil samples brought from home or taken at the site of the class, then utilizing the instrument in the broadcast mode to energetically balance those elements.

Each individual and family/friend enrollee will be provided with following materials and information:

- *Radionics - Book 2: Applied Radionics*
- Set of 10 KRT radionic worksheets
- One 300 ml Griffin beaker
- Electronic: Kelly Research Report

Individual Enrollment	\$400.00
Retake or with Purchase of a New Instrument	\$200.00
Instrument Rental (Supplies are limited!)	\$50.00

INTERMEDIATE RADIONICS w/ MARTY LUCAS: February 11, 2019

Atlanta, Georgia

Marty and Ed will deliver a one-day course in which participants will learn and practice creation of a crystal clear statement of intent, cold scanning of a highly-accurate radionic rate, and potentization of that rate and applicable reagents into a personal object brought to the class. *Remember to bring a personal object and your biggest wish or desire for 2019 or beyond!*

- Crystallizing focused intent
- Cold-scanning accurate primary rates
- Potentizing for Multi-Octave Impact
- Selecting and testing reagents

Individual Enrollment	\$200.00
------------------------------	-----------------

A Potentizer or Replicator is required for this class! Please order by January 18 if you need a unit.

Accessory Potentizer: Acrylic Imprint Well (Pyrex Well +\$50)	\$300.00
--	-----------------

ADVANCED RADIONICS w/ MARTY LUCAS: February 12, 2019

Atlanta, Georgia

Marty Lucas will take the lead with a one-day course focused on advanced radionic concepts and techniques. *"I take advanced concepts in subtle energy and explain them in a way that is easy to understand and use. This class gives you cutting-edge information from real-life radionics research."* In 2019, Marty will lead hands-on exercises in:

- The Somatid Cycle
- Multi-Bank Tuning for Maximum Impact

Individual Enrollment	\$200.00
------------------------------	-----------------

SPECIAL OFFER! Save \$50.00 on your enrollment with each new student you bring to each workshop. *The more folks you bring, the more you save!*

Teachers: **Ed Kelly** is President of KRT - a uniquely qualified instructor with a lifetime of experience building radionic devices, working with senior instructors, and writing about this amazing field. Ed is the son of KRT founder Peter J. Kelly and a member of the Board of Directors of the U.S. Psychotronics Association (USPA).

Marty Lucas is an experienced teacher, researcher, and consultant with a track record of success using dowsing and radionics to solve problems for clients around the world. Marty trained for years with the legendary Pat Schmidt, served as President of the American Society of Dowsers, and is a member of the Board of Directors of the USPA.

Where: All workshops will take place at the Holiday Inn Express - Galleria located at 2855 Spring Hill Parkway, Smyrna, Georgia, 30080, online at: <http://tinyurl.com/y8gcwnyf>. Special room rates of \$99.00 have been secured for participants. **The discount expires January 18th, 2019, so call now:** 800-972-2404 - ask for the "KRT" rate.

When: Classes will run from 8:30 am to 5:00 pm each day, with breaks.

Bring: **Basic Radionics:** Any two-dial radionic instrument. A limited number of KRT Personal Instruments will be available for rent. Optional: Bring soil and/or water samples. **Intermediate Radionics:** Bring an object to potentizer, a two-dial instrument, and a potentizer. *Call by January 18th if you need to order a Potentizer!*

Food: Coffee and tea will be served in the hotel lobby in the morning and in the meeting room in the afternoon. Participants will be responsible for all meals and snacks. Several restaurants are located nearby.

Register: Registration may be paid by check, credit card, or PayPal in US dollars. Call to register via credit card at (706) 782-2524, or complete and fax the following enrollment form to (706) 782-1047. Direct PayPal payments to: sales@kellyresearchtech.com. Send checks and other correspondence to KRT, Inc., PO Box 128, Lakemont, GA, 30552, USA. Enrollment will be refunded upon request in the event a participant cannot attend, less a non-refundable fee of \$75 each. *New student registration offer can reduce class enrollment fee(s) to zero, then accrues as credit for purchases from the KRT catalog.*
