

## KRT Radionics Workshops: **Chicago, Illinois**

Kelly Research Technologies is very proud to support the U.S. Psychotronics Association's 39<sup>th</sup> conference, whose theme is **Psychotronics: Emerging Technologies in Consciousness, Subtle Energy, and Radionics**. The conference will be held in the Chicago suburb of Deerfield on **July 14-16, 2017**, at the lovely Hyatt Regency hotel.

The USPA is a non-commercial, not-for-profit organization that supports research in "psychotronics", which is the science of mind-body-environment relationships, including the interactions of matter, energy, and consciousness. Because the USPA is dedicated not just to radionics, but also the broader spectrum of esoteric phenomena, **this meeting will present research, information, speakers, and vendors from a wide variety of disciplines**. KRT founder Peter J. Kelly was an organizing member of the USPA in 1975, and KRT's Ed Kelly has served on the USPA's Board of Directors since 2011. For more information about the USPA and the 2017 conference please visit: [www.psychotronics.org](http://www.psychotronics.org), or follow the USPA page on Facebook.

Immediately following the USPA conference on **July 17 and 18**, Ed Kelly will deliver Basic Radionics, a two-day course covering the fundamentals of radionic instrumentation, including analyzing and balancing soil and water samples using a Hieronymus-type variable capacitance radionic unit. This hands-on workshop will equip participants with the skills needed to immediately apply radionics at their homestead or farm. Space is limited, so register to participate today and **learn how to recognize and shape the unlimited forces of pure Universal Energy!**

---

### **BASIC RADIONICS: July 17-18, 2017**

**Deerfield, Illinois**

An introduction to the basic theory and hands-on operation of the radionic instrument. This course is designed for the brand new beginner and anyone seeking a refresher on the basics. Topics include:

- History and Theory of Radionics
- Samples and Witnesses
- Energetic Analysis and Balancing
- Water & Plant/Soil Analysis Worksheets
- Use of Reagents: Physical and Electronic
- Basic Rate Scanning/Electronic Dowsing

Participants will practice using and developing a touch for the radionic instrument by completing analysis worksheets on water and soil samples brought from home or taken at the site of the class, then utilizing the instrument in the broadcast mode to energetically balance those elements.

*Each individual and family/friend enrollee will be provided with following materials and information:*

- *Radionics - Book 2: Applied Radionics*
- Set of 10 KRT radionic worksheets
- One 300 ml Griffin beaker
- Electronic: Kelly Research Report

<b>Individual Enrollment</b>	<b>\$400.00</b>
<b>Retake or with Purchase of a New Instrument</b>	<b>\$200.00</b>
<b>Instrument Rental (Supplies are limited!)</b>	<b>\$50.00</b>

**SPECIAL OFFER!** Save **\$50.00 per class** for each new student you bring to that class!  
*The more folks you bring, the more you save!*

**NOTE:** The universal radionic concepts covered in class will equip participants to conduct radionic research in any area of interest. However, human health issues cannot be covered at any time. Regrettably, any questions concerning human health will have to be declined.

**Teachers:** **Ed Kelly** is President of KRT - a uniquely qualified instructor with a lifetime of experience designing and building radionic devices, working with senior instructors, and writing about this amazing field. Ed is the son of KRT founder Peter J. Kelly and a member of the Board of Directors of the U.S. Psychotronics Association.

**Where:** All workshops will take place at the Deerfield Hyatt Regency located at 1750 Lake Cook Rd, Deerfield, IL 60015. See the web page at: <http://tinyurl.com/jtgv6oq>. Special room rates of \$119.00 have been secured for USPA and KRT workshop program participants and includes two breakfast vouchers per night booked. Call for reservations at (847) 945-3400 and ask for "USPA".

**When:** Classes will run from 8:30 am to 5:00 pm each day, with breaks.

**Bring:** Any two-dial radionic instrument. A limited number of KRT Personal Instruments will be available for rent. Optional: Bring soil and/or water samples and any reagent you wish to test.

**Food:** Participants will be responsible for their own meals and snacks. Onsite, the Jaxx Bistro restaurant and lounge offers three meals a day, and several restaurants are located nearby.

**Register:** Registration may be paid by check, credit card, or PayPal in US dollars. Call to register via credit card at (706) 782-2524, or complete and fax the following enrollment form to (706) 782-1047. Direct PayPal payments to: [sales@kellyresearchtech.com](mailto:sales@kellyresearchtech.com). Send checks and other correspondence to KRT, Inc., PO Box 128, Lakemont, GA, 30552, USA. Enrollment will be refunded upon request in the event a participant cannot attend, less a non-refundable fee of \$75 each. *New student registration offer can reduce class enrollment fee(s) to zero, then accrues as credit for purchases from the KRT catalog.*
