

The Radionics Winter Classic: Des Moines, Iowa

KRT is very pleased to participate in a new winter workshop series designed to meet the needs of radionic researchers at every level, from beginners to experts – the **Radionics Winter Classic**. Joining KRT President Ed Kelly will be Marty Lucas - an experienced teacher, researcher, and consultant with a proven track record of success using dowsing and radionics to solve problems for clients around the world. Don't miss this opportunity to participate in these hands-on workshops!

BASIC RADIONICS: February 18-19, 2017

Des Moines, Iowa

An introduction to the basic theory and hands-on operation of the radionic instrument. This course is designed for the brand new beginner and anyone seeking a refresher on the basics. Topics include:

- History and Theory of Radionics
- Samples and Witnesses
- Energetic Analysis and Balancing
- Water & Plant/Soil Analysis Worksheets
- Use of Reagents: Physical and Electronic
- Basic Rate Scanning/Electronic Dowsing

Participants will practice using and developing a touch for the radionic instrument by completing analysis worksheets on water and soil samples brought from home or taken at the site of the class, then utilizing the instrument in the broadcast mode to energetically balance those elements.

Each individual and family/friend enrollee will be provided with following materials and information:

- *Radionics - Book 2: Applied Radionics*
- Set of 10 KRT radionic worksheets
- One 300 ml Griffin beaker
- Electronic: Kelly Research Report

Individual Enrollment	\$400.00
Retake or with Purchase of a New Instrument	\$200.00
Instrument Rental (Supplies are limited!)	\$50.00

INTERMEDIATE RADIONICS w/ MARTY LUCAS: February 20, 2017

Des Moines, Iowa

Ed and Marty will deliver a one-day course in which participants will learn and practice creation of a crystal clear statement of intent, cold scanning of a highly-accurate radionic rate, and potentization of that rate and applicable reagents into a personal object brought to the class. *Remember to bring a personal object and your biggest wish or desire for 2017!*

- Crystallizing focused intent
- Cold-scanning accurate primary rates
- Potentizing for Multi-Octave Impact
- Selecting and testing reagents

Individual Enrollment	\$200.00
------------------------------	-----------------

A Potentizer or Replicator is required for this class! Please order by February 1 if you need a unit.

Accessory Potentizer: Acrylic Imprint Well (Pyrex Well +\$50)	\$300.00
----------------------------------------------------------------------	-----------------

ADVANCED RADIONICS w/ MARTY LUCAS: February 21, 2017

Des Moines, Iowa

Marty Lucas will take the lead with a one-day course focused on advanced radionic concepts and techniques: *"I take advanced concepts in subtle energy and explain them in a way that is easy to understand and use. This class gives you cutting-edge information from real-life radionics research."*

- Multi-bank Cold Scanning
- Advanced Balancing Protocols
- The Somatid Cycle and Wellness
- Source Regeneration/Reprogramming

Individual Enrollment	\$200.00
------------------------------	-----------------

SPECIAL OFFERS! Enroll in all three classes by December 30, 2016, and save \$50.00!
 - **OR** - Save \$50.00 per class for each new student you bring to that class!
The more folks you bring, the more you save!

Teachers: **Ed Kelly** is President of KRT - a uniquely qualified instructor with a lifetime of experience building radionic devices, working with senior instructors, and writing about this amazing field. Ed is the son of KRT founder Peter J. Kelly and a member of the Board of Directors of the U.S. Psychotronics Association.

Marty Lucas is an experienced teacher, researcher, and consultant with a proven track record of success using dowsing and radionics to solve problems for clients around the world. Marty trained for years with senior instructor Pat Schmidt and is a member of the Board of Directors of the American Society of Dowsers.

Where: All workshops will take place at the Urbandale Hilton Garden Inn located at 8600 Northpark Dr, Johnston, IA 50131. See the web page at: <http://tinyurl.com/gmhzvqv>. Special room rates of \$99.00 have been secured for program participants at the Hilton Garden Inn. Call for reservations at 515-270-8890 and ask for "Every Advantage".

When: Classes will run from 8:30 am to 5:00 pm each day, with breaks.

Bring: **Basic Radionics:** Any two-dial radionic instrument. A limited number of KRT Personal Instruments will be available for rent. Optional: Bring soil and/or water samples. **Intermediate Radionics:** Bring an object to potentizer, a two-dial instrument, and a potentizer. *Call by Dec. 30 if you need to order a Potentizer!*

Food: Participants will be responsible for their own meals and snacks. Onsite, the Garden Grille restaurant offers three meals a day, and several restaurants are located nearby.

Register: Registration may be paid by check, credit card, or PayPal in US dollars. Call to register via credit card at (706) 782-2524, or complete and fax the following enrollment form to (706) 782-1047. Direct PayPal payments to: sales@kellyresearchtech.com. Send checks and other correspondence to KRT, Inc., PO Box 128, Lakemont, GA, 30552, USA. Enrollment will be refunded upon request in the event a participant cannot attend, less a non-refundable fee of \$75 each. *New student registration offer can reduce class enrollment fee(s) to zero, then accrues as credit for purchases from the KRT catalog.*
