Here are a couple of recent letters from people who attended my class.

Raymon,

I just wanted to say that your class last week end in Charlottesville blew me away! I have been a Reiki practitioner for years, but your concepts of using intent to heal at a distance are a quantum leap above any hands on methods. I wanted you to know how much I learned. I must have taken 30 pages of notes. I am on the fourth reading of your book. I always get something new out of it. I have been using your check list to help my family and friends. Your clearing of the many things on the list from me has made me feel completely different. I feel more confident about life and that things will work out well. :-)

Bless you,

Tim

Hi Raymon,

During the seminar at Poplar Grove Dec 5-6, 2009, you taught me how to get to my Medicine Place. You told us to pick someone to work on in our Medicine Place. I chose my boyfriend Scott. Scott had smoked cigarettes for 7+ years and it didn't look like he was going to stop any time soon. But, after putting him in the Medicine Place, Scott hasn't had a cigarette since December 5th. My intent was to ease his mind.

I've had clean, good tasting water for about 4 months. I bought the Energizing Water II CD. Sometimes my water changes back to the way it was originally. But, all I have to do is play the CD, and after I have clean water again.

Thank you for teaching us,

Adrienne
